Sergio Carrillo had tried to get information with Department of Building and Safety San Pedro in person but needed to make an appointment. **f)** Tony Fernandez had a Google Meet Tuesday 05/10/2022 with Fernando Navarrete Field Deputy for CD15. Fernando will provide the language for the Board to confirm and have on file but in short if we repair/replace it ourselves since its private property there is no need for permit. If we hire or have someone install it, then it needs a permit and other documents. Request further discussion on this item.
