I will remove Sergio Carrillo from the Wilmington Cemetery Group. I did find out that he is now working for CD 15 in the course of my work!

Sounds good. I will be out of the office on medical leave until Wednesday, May 22, 2024. I will check my emails.

Yes, there was some confusion about the August meeting last year. I do not attend it, but it must be open for the public to attend if they want to voice an opinion about the assessment.

Thank You!

Mariann
